This PowerPoint report, presented by Robert Hartwig, president to the Insurance Information Institute, discusses megatrends such as catastrophic losses affecting the property/casualty insurance industry, with a focus on Ohio. Sections include a P/C insurance industry financial overview; a discussion of profitability and growth in the Ohio P/C insurance markets; and U.S. an insured catastrophe loss update.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website (https://www.adobe.com/products/acrobat/readstep.html).

Note: Printer fonts may vary by browser and version of Adobe Reader.
