This PowerPoint report, presented by Robert Hartwig, president of the Insurance Information Institute, at the Forum of Greater New York, focuses on the modernization of insurance regulation and insurance industry performance. The presentation includes a history of insurance and insurance regulation and a section highlighting the eight waves of regulation in U.S. insurance history, from the institutionalization of insurance regulation to shadow regulators. Further sections discuss waves of significant risk in the near future and far. This section discusses health insurance and the Affordable Care Act.
