This overview and outlook for the property/casualty (P/C) insurance industry was presented by Robert Hartwig, president of the Insurance Information Institute, at Verisk Insurance Solutions Client Summit. Sections include: a P/C insurance industry financial overview, which notes that the strength of the economy will influence P/C insurer growth opportunities; a construction, manufacturing and energy outlook; a labor market trends discussion; a review of U.S. insured catastrophe losses, with a discussion of flood insurance; a terrorism insurance update; and more.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website (<https://www.adobe.com/products/acrobat/readstep.html>).

Note: Printer fonts may vary by browser and version of Adobe Reader.
