This PowerPoint report, presented by Robert Hartwig, president to the Insurance Information Institute, provides an overview and outlook of the property/casualty (P/C) insurance industry for 2014 and future years. Sections include a P/C insurance industry financial overview and discussion of the challenge of growth, the future of healthcare in America and how the strength of the economy will influence P/C insurer growth opportunities.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website (<https://www.adobe.com/products/acrobat/readstep.html>).

Note: Printer fonts may vary by browser and version of Adobe Reader.
