This PowerPoint report provides an overview and outlook of the property/casualty (P/C) insurance industry for 2014 and Beyond, with a focus on Texas insurance markets. Sections include a P/C insurance industry financial overview; a review of profitability and growth in the Texas P/C insurance markets; a construction, manufacturing and energy outlook; a review of labor market trends; and others.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website (https://www.adobe.com/products/acrobat/readstep.html).

Note: Printer fonts may vary by browser and version of Adobe Reader.
