This overview and outlook for the property/casualty (P/C) insurance industry includes the following sections: a P/C insurance industry financial update; a discussion of alternative capital and reinsurance markets; a growth analysis by state and business segment; a discussion of P/C insurer growth opportunities; construction and energy industries overviews and outlooks; and a discussion of the workers compensation operating environment.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website (<https://www.adobe.com/products/acrobat/readstep.html>).

Note: Printer fonts may vary by browser and version of Adobe Reader.
