This PowerPoint report, presented by Robert Hartwig, president of the Insurance Information Institute, at the Kentucky Associated General Contractors, offers an in-depth analysis of the workers compensation market. This presentation gives an overview of the U.S. economic outlook and also the labor market. Other topics explored are the workers compensation operating environment, recent P/C financial performance, and challenges of a low interest rate environment. Finally this presentation looks at workers comp market conditions and what direction things may be heading.
