This PowerPoint report, presented by Steven Weisbart, chief economist of the Insurance Information Institute, at the Alabama I-Day in Tuscaloosa, AL, examines how the strength of the economy will influence P/C industry growth opportunities. This report focuses on how regional differences will significantly affect the P/C market and includes statistics on labor market developments. Dr. Weisbart also examines how non-economic factors like severe weather can affect P/C insurance.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website (https://www.adobe.com/products/acrobat/readstep.html).

Note: Printer fonts may vary by browser and version of Adobe Reader.
