This PowerPoint report, presented by Jeanne Salvatore, SVP of the Insurance Information Institute, to the National Association of Latino Elected and Appointed Officials Educational Fund in New Orleans, LA, provides information about how to effectively prepare for a disaster and what is covered under a standard homeowners insurance policy. This presentation also covers how the claims process works and provides resources to homeowners to help them better understand how to protect their home, family, and assets from disaster.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website (https://www.adobe.com/products/acrobat/readstep.html).

Note: Printer fonts may vary by browser and version of Adobe Reader.
