This PowerPoint report, presented by Robert Hartwig, president of the Insurance Information Institute, before the 2012 North Carolina Insurance Symposium, looks at the North Carolina auto insurance market, comparing it with the overall U.S. market. A section provides an auto insurance growth analysis, with charts highlighting average premiums and expenditures. A profitability analysis offers by line U.S., North Carolina and nearby states comparisons. Final sections of the report review U.S. and North Carolina auto insurance claim trends and discuss catastrophe impacts on auto lines.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website (<https://www.adobe.com/products/acrobat/readstep.html>).

Note: Printer fonts may vary by browser and version of Adobe Reader.
