This PowerPoint report, presented by Robert Hartwig, president to the Insurance Information Institute, includes sections dealing with major categories of external risks; the global economic environment; geopolitical issues; the P/C insurance and reinsurance operating environment; natural catastrophe risk; the new investment environment; new capacity and capital for reinsurance; and insurance regulatory trends in the post-crisis world.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website ( https://www.adobe.com/products/acrobat/readstep.html).

Note: Printer fonts may vary by browser and version of Adobe Reader.
