This PowerPoint report, presented by Robert Hartwig, president of the Insurance Information Institute, at the DRI Insurance Coverage and Practice Symposium in New York on December 12, 2013 focuses on catastrophe trends in the United States. The presentation includes separate sections on U.S. catastrophe loss trends; insurance issues related to Hurricane Sandy; public opinion concerning catastrophes; federal terrorism insurance legislation; and tort trends, including the BP and Deepwater Horizon litigation.

Please click on the file name below to view the presentations. Once open, you can choose "file" from your menu and then save the PowerPoint presentation to your disk. The presentation also is available in Adobe Acrobat format. The Adobe Acrobat file is smaller and faster to download. However, you do need the appropriate software to view.

You can download Adobe Acrobat Reader, free of charge, from the Adobe website (<https://www.adobe.com/products/acrobat/readstep.html>).

Note: Printer fonts may vary by browser and version of Adobe Reader.
